Troublesome Behavior

Harassing, threatening, acting toxic towards other players, and disturbing other's gameplay is not allowed. The use of slurs is also not allowed.

Cheating and Exploiting

Any form of cheating, hacking, or exploiting is not allowed.

This includes x-ray, clear lava, hack clients, auto-clickers, obtaining the seed, lag machines and more. Associating yourself with cheaters may result in a ban.

Clean Chat and Messages

Do not pollute chat by spamming, flooding, etc. Bypassing the chat filter is also not allowed. Keep public chat English, and keep swearing to a minimum.

Claim Rules

You cannot build or grief within 100 blocks of others claims or builds. You may not create claims in the mean to annoy others, or be a nuisance. Reminder: Claims with less than 10k claim blocks will expire after 60 days.

Raiding and Trusting

Raiding unclaimed valuables is fair game. (Chests, shulkers, spawners, etc). Make sure your claim is safe.

Abusing your trust may result in a ban. You must ask others consent before breaking stuff, or taking goods.

Griefing and Destruction

Intentional destruction of the world is not allowed. (Lava casting, mass explosions, rare biome stripping, etc).

Politics and Controversial topics

No politics, controversial topics, or illicit drugs in public chat.

Discussing topics of this nature to intentionally cause issues will result in punishment.

Inappropriate & NSFW Stuff

No NSFW/Bad Names, skins, builds, or chats. Predatory behavior is also not tolerated.

PvP Abuse and Trapping

Do not bypass the PvP system or trap players.

Interfering with Staffing

Calling out hackers in chat or calling out staff that are in vanish is not allowed. Both of these activities interferes with staff doing their jobs.

Joking or pretending to hack or cheat is also against the rules and may result in ban.

Impersonation

Impersonating staff or others is not tolerated. Example: Changing nickname, claiming to be a staff, etc.

False Reports

Refrain from making joke reports about other players, as this wastes our staff's time.

Alt Accounts

Alt accounts are not allowed to vote, keep chunks loaded, or playtime/event rewards.

You may only use it as storage or to play.

Punishment Evasion

Do not use an alt to bypass an existing punishment on another account.

Scamming and Baiting

Do not scam, bait players, rename items similar to custom ones, lowball, etc.

Litematica and Mods

Litematica is allowed, mods such as journeymap and fullbright are also allowed.

Using easy-place or printer is not allowed, and any mods that give an unfair-advantage are also not allowed.

No Shulker Farms

Shulker farms are not allowed under any circumstances to keep the worth of shulkers balanced in the economy.

IRL Trading

All IRL trades which involves real life currency is not allowed. (Example: Paypal, Cashapp, etc).

Mapart Reselling

Reselling of others mapart is not allowed.

Cross-Server Trading

Trading any items on CozySMP for items on another server is strictly not allowed.

Casinos & Money Games

Automated Casinos are not allowed. Tho, you may make games that are not profit-related, or manual such as grass/flower.

Staff Discretion

While our rules provide a clear framework, not every possible situation can be covered.

Staff members are trusted to use their judgment in cases where behavior may be harmful, disruptive, or against the spirit of the community, even if not explicitly listed in the rules. Attempting to exploit loopholes will still be punished.

Economy Rules

Avoid buying out shops of others to empty their stock and re-sell at a higher price.

Do not attempt to manipulate prices to artificially inflate/deflate server-wide prices.

Exploiting new or inexperienced players to make a profit is not tolerated, and will fall under scamming.
