

Spawners

Custom spawner mechanics.

- [Natural Spawner Pickaxe](#)

Natural Spawner Pickaxe

Mine naturally generated spawners with this pickaxe.

It has a maximum of **10** uses.

Note: After a spawner is placed by a player, it can be picked up with Silk Touch with FOX Rank or above.

Note: Currently if a player places an Empty [item:Spawner] it can only be picked up with this pickaxe.
